

1. CLEP Testing

Students who have taken College Level Examination Program (CLEP) exams may receive credit. By obtaining a particular score, recommended by the American Council of Education, students can obtain college credit. Students must submit official CLEP scores and a completed Evaluation Request form to the Admissions Office. Credit awarded will be indicated in the student database and will appear on the graduate's record of cumulative waiver/transfer earned upon program completion.

See the following list for policies on granting placement of credit for CLEP exams. Credit will not be granted for scores below the ACE recommended score.
